
Microsoft Office 2010 Arabic Free Download

May 26, 2020 - Microsoft released an update for the 64-bit version of Microsoft Office 2010.

This update contains the latest fixes for Microsoft Office 2010... and provides improved support for 32-bit Windows operating systems. To install the update, the user must have a 64-bit version of Microsoft Office 2010 installed on the user's computer. To notify the user that the update is available, and for instructions on how to install it, see the Microsoft Office Help file that accompanies the update.
